

ONE Community Working Together

Full Council Meeting

Friday, February 24, 2012

9:00 a.m. – 12:00 p.m.

An important event will be occurring at our meeting when Sheila Murphy will be presenting information on the recently completed Oral Health Care Study of Developmentally Disabled Adults. This study done for the Council will provide an update on the standing of oral health care in Arizona, pointing to strengths, gaps and weakness in the delivery system along with specific recommendations on how dental care for developmentally disabled adults can be strengthened to meet increasing needs in Arizona.
